FALL CLEAN UP

It is that time of the year again were the City of Norman Sanitation Division does its bi-annual bulky waste collection. This program was set up for the sanitation customers to have a way of properly disposing of bulky, non-hazardous items that they could not dispose of through out the year in their regular trash service.

The following are the dates for the City of Norman Fall Clean-Up:

- Oct. 3 Customers who have Monday polycart service
- Oct. 10 Customers who have Tuesday polycart service
- Oct. 17 Customers who have Wednesday polycart service
- Oct. 24 Customers who have Thursday polycart service
- Oct. 31 Customers who have Friday polycart service

The above schedule also applies to rural customers. However, rural customers need to call Sanitation at 329-1023 and schedule an appointment prior to October 3. (Items must be out by 7:30a.m. on designated Saturday.)

On October 16, 17 and 18 the Sanitation Division will be setting roll-off boxes at Denver Corner located at Alameda Dr. and 108th N.E. and at the American Legion Hall located at 156th N.E. north of Highway 9. These containers are set out for Norman residents only. We ask that everyone be responsible and not place HAZARDOUS WASTE such as tire, batteries, paints, chemicals, etc... in the containers. We also ask that everyone place all items inside the containers, DO NOT set items to the side of the containers.

We do not take yard waste of any kind, remodeling or demolition debris such as broken concrete, bricks, lumber, sheetrock, shingles or junk cars, or any hazardous waste such as tires, batteries, paints, etc.. Polycarts, wagons, wheelbarrows, etc., are not to be used as containers for clean up items. The Transfer Station at 3901 S. Chautauqua, will be open and free on these Saturdays for any Norman sanitation customer, so you may haul your

own if you wish. Remember to take a current utility bill when you go, or have a driver's license with a Norman address. If you should have any questions please call the Sanitation Office at 405-329-1023.
